

Every Style Has a Story

5-eBook Series Featuring Sisterlocks Master Stylists

Issue #2: "Celebrate Culture"

Master Stylist: Kirigo Kabuga

Every day, more and more women like Kirigo come to this realization: *Having our type of hair is a huge blessing!* For her, that realization came early in life. "We HAD to know our culture and our mother tongue." Self-acceptance was simply part of her upbringing. For some though, the journey leading to a joyful celebration of culture and natural hair - has been a long one!

Whatever your journey has been, you'll be inspired by Kirigo's approach to Sisterlocks styling. She understands that a strong sense of culture leads to a strong sense of personal beauty, and she has a real knack for enhancing the beauty of her clients.

You'll see how Kirigo
strives to create styles
that tap into each
client's
unique beauty.
